Fits On Your Desktop and In Your Budget!

Your new PC rocks. Unfortunately, the tinny-sounding speakers that came with it are pretty uninspiring. It's time for a powered audio upgrade. Time to let your PC, CD, DVD and MP3 player blast your favorite music in full-stereo sound. For great sound at a great price, check out the Altec Lansing VS2120 system. The versatile speakers look great next to your new flat panel monitor and fire the sound directly toward you for a more vivid listening experience. Get the great sound you deserve with this affordable and compact powered audio system.
